

CCSS Web Links:

<http://ideas.aetn.org/commoncore/>

This site is the new Common Core site launched by the ADE today. All past CCSS Math CIV telecast and AR CCSS Institutes are found on the front page of this site

<http://ideas.aetn.org/commoncore/strategic-plan>

This is embedded in the above site. On this tab you will find:

- ADE Strategic Plan
- What Every AR Education Needs to Know
- Analysis tools for math and literacy
- Sample assessment plans
- A Guide for PD Planning along with the big shifts in math and literacy

<http://www.commoncorearkansas.org/>

This is the ADE Micro CCSS Site. On this site you will find:

- FAQ
- Video from the ADE
- List of resources including videos, Power Points used by the department and websites
- Overview information for parents and community members as well as educators

<http://adesecondarymath.pbworks.com/>

This page houses past emails from the CCSS List serve in case you recently joined. Go to the right of the page under CCSS Comm. Files

<http://ccssarkansas.pbworks.com/>

This is the ADE Common Core Wiki homepage. The crosswalks and timeline are housed here. Links to content area wikis are also found here
