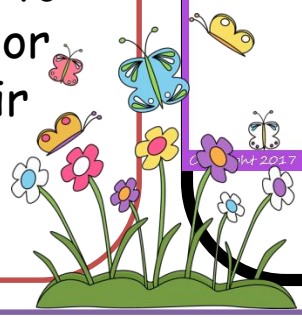
## Junction City Elementary Gifted & Talented

Fourth, fifth, and sixth grade GT students helped kindergarten and 1st grade students by assisting with reading for Accelerated Reading!

Gifted and Talented students show their appreciation to JC teachers by helping to make word clouds for teachers with their student's names.



### Reminders

If you have any referrals for the Junction City Gifted and Talented program for the 2017-2018 school year, please contact Mitzi Thompson.
